

# Q-Academy ICT Student Registration Guide

Step-by-Step Visual Guide for Enrolling in Patrick Kporsu's ICT Classes

**Important Notice for Students:** You only need to enrol once! Registering for **Join Patrick Kporsu's ICT Classes (All-Course Access)** grants you complete access to all current and upcoming ICT topics, practice exercises, and WASSCE quizzes without requiring separate fees.

## Step 1: Access the Teachers Hub

After logging into your **Q-Academy** account, you will land on the main home dashboard. Locate the **Teachers Hub** card and click the green **Teachers Hub** button (indicated by the red arrow below).

## Step 2: Select Subject & Instructor

Under the **Teachers' Hub** category directory, navigate to **ICT & Computer Studies**. Click on **> Patrick Kporsu** to view his course offerings.

The screenshot shows a web browser window with the address bar displaying 'qacademy.edu.gh/teachers-hub/ict'. The page has a dark green header with 'Q-Academy' on the left and 'DT' on the right. Below the header, there are navigation links: 'Home', 'Dashboard', 'Electives', and 'TeachersHub'. The main content area shows a breadcrumb trail: 'Courses / Teachers' Hub / ICT & Computer Studies'. Below this, there is a section titled 'ICT & Computer Studies' with a sub-section 'Category: ICT & Computer Studies'. A list of instructors is shown, with '> Patrick Kporsu (Senior High School ICT Instructor)' highlighted in a light green box. A red arrow points from a red box labeled 'STEP 2: SELECT' to the highlighted instructor name.

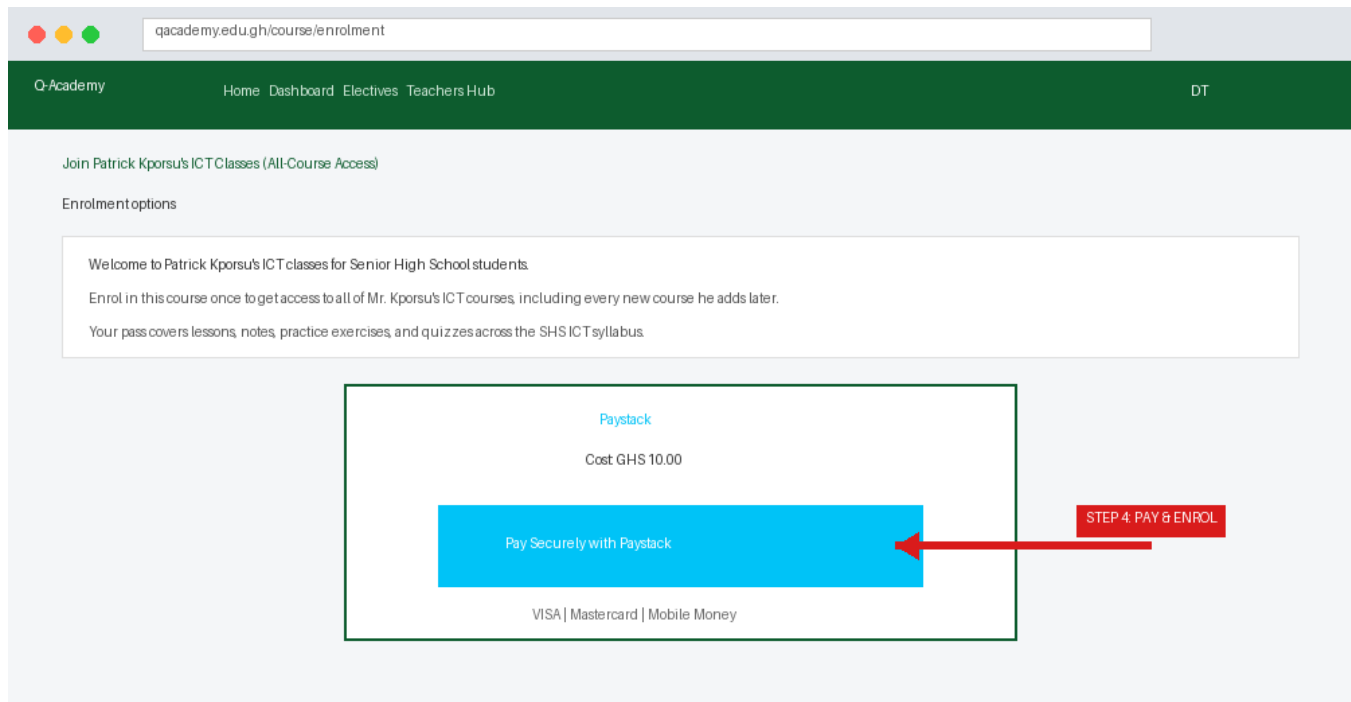

## Step 3: Select All-Course Access Pass

Locate the course banner titled **Join Patrick Kporsu's ICT Classes (All-Course Access)**. Click the green **Go to course** button to proceed to enrollment.

The screenshot shows a web browser window with the address bar displaying 'qacademy.edu.gh/teachers-hub/ict/patrick-kporsu'. The page has a dark green header with 'Q-Academy' on the left and 'DT' on the right. Below the header, there are navigation links: 'Home', 'Dashboard', 'Electives', and 'TeachersHub'. The main content area features a course banner for 'Patrick Kporsu's ICTCLASSES' with the subtitle 'for Senior High School Students | Learn - Practice - Succeed'. The banner also includes the text '[ICT & COMPUTING]'. Below the banner, there is a section titled 'Join Patrick Kporsu's ICT Classes (All-Course Access)' with the text 'Enrolling once grants complete access to all current and upcoming ICT topics.' At the bottom of this section, there are two buttons: 'Go to course' (green) and 'Details' (grey). A red arrow points from a red box labeled 'STEP 3: CLICK HERE' to the 'Go to course' button.

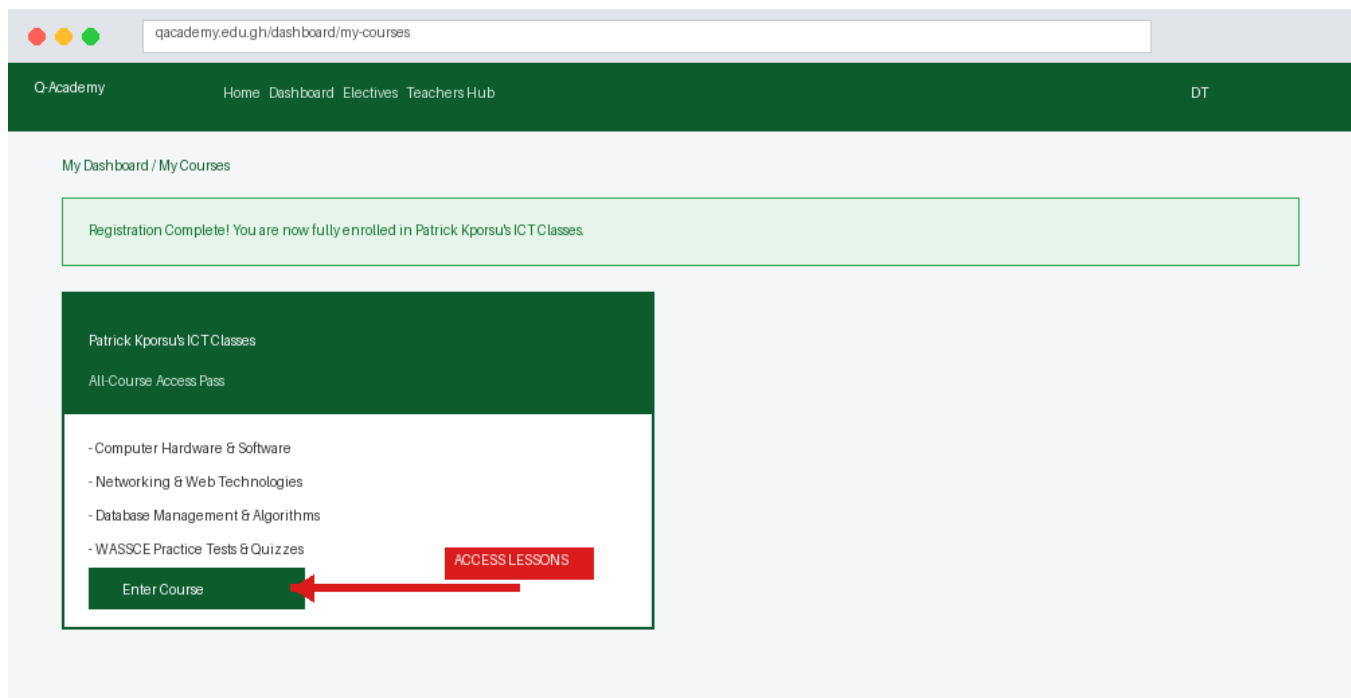

## Step 4: Complete Enrolment & Payment via Paystack

Review the course details on the enrolment options screen. Click the blue **Pay Securely with Paystack** button. You can complete the **GHS 10.00** payment using Mobile Money (MTN, Telecel, AT), Visa, or Mastercard.

## Step 5: Access Active Lessons & Learning Modules

Once payment is processed, you will see a green registration confirmation on your dashboard. Click **Enter Course** under **My courses** to access all notes, video lessons, and practice quizzes.
